Parent Questionnaire

Dear Parents,

We are constantly working to improve the quality of our child care facility. Cooperation with you is especially important in this regard, since we are close partners in the care, education, and upbringing of your children.

We invite you to get involved in all essential aspects of the nursery school. We as nursery school teachers are open to your suggestions and needs, and we are looking forward to your participation.

With this questionnaire we would like to learn more about what you think of the cooperation with our team. Your views will help to further improve the cooperation with parents and create a more trusting relationship.

Please answer the following questions on a scale from “fully applies” to “does not apply.” Your responses will of course remain completely anonymous. We will inform you about the results of the survey.

With best regards and thanks,

Your Child Care Team
